Dear Mr Szabo

Thank you for your email dated 18 May 2017 to the Minister Assisting the Prime Minister for Cyber Security the Hon Dan Tehan MP, enclosing information on technology developed by Mr Buresch. Minister Tehan has asked that I reply on his behalf.

Under Australia's Cyber Security Strategy, the Government has funded the creation of the Australian Cyber Security Growth Network. The Growth Network is an industry-led organisation that has a mission to secure real economic benefits for Australia by investing in cyber security start-ups and scale-ups, as well as linking businesses with other corporate practitioners specialising in cyber security.

I recommend Mr Buresch engage with the Growth Network. For more information please visit their website: www.acsgn.com.

Yours sincerely
